# REGATTA MEASURING GUIDE

## REGATTA MEASURING GUIDE

The fit of your clothes depends on the cut/style and design of your garment. Our garments will vary in actual size as we allow for ease of fabric over the body. Measure your body accurately to determine what size clothes you would be best buying.

### MEN’S

**A = Chest**  
Measure the chest at the fullest part placing the tape under the arms.

**B = Waist**  
Measure around the waist at the height at which you would normally wear your trousers.

**C = Inside Leg**  
Measure from the crotch to where your trouser leg is normally worn at the ankle.

### WOMEN’S

**A = Bust**  
Measure around the fullest part of your bust.

**B = Waist**  
Measure around the waist at the height at which you would normally wear your trousers.

**C = Inside Leg**  
Measure from the crotch to where your trouser leg is normally worn at the ankle.

## REGATTA KIDS GENERAL SIZING GUIDELINES

Our children’s clothes are designed to allow room for growth. Sometimes the height measurement is a better guide than the age in choosing the correct size for your child.

### KID’S

**A = Height**  
Measure from a level floor to the top of the head.

**B = Chest**  
Measure the chest at the fullest part placing the tape under the arms.

**C = Waist**  
Measure around the waist at the height at which you would normally wear your trousers.

### Kids Unisex Size Chart - Jackets

Age/Years	Height	Chest	European Conversion
